RUSTICVILLE CAMPING

BARBECUE

Nestled among the Sahyadri mountain range, surrounded by hillocks on two sides, paddy fields on one and pawana valley with a beautiful lake view on the other, Rusticville camps are the preferred destination for families, friends & corporates. Gazing at stars, grilling your own barbeque under the moonlit sky, enjoying the cool mountain breeze, unwinding with friends by a bonfire are a few memories you take back home from Rusticville.
